## Health Programs, Groups & Activities

### Hydrotherapy

Hydrotherapy is exercise in warm water. This is especially suitable for the management of arthritis and musculoskeletal injuries. Three groups operate catering for different needs.

#### SESSION DETAILS:

All the sessions below will be held at:

**Knox Scope Centre**  
**750 Boronia Road, Wantirna**

Tuesday: 9:00am – 10:00am

Thursday: 1:00pm – 2:00pm

Thursday: 2:00pm – 3:00pm

\$6.00 per session.

A waiting list may apply.

### Tai-Chi for Arthritis

A gentle and slow exercise of the body and mind that improves overall fitness and promotes relaxation. The 12 movement set is based on the Sun style and incorporates Qigong breathing exercises. Tai Chi has proven benefits for reducing pain whilst increasing strength and joint flexibility.

#### SESSION DETAILS:

**KCHS Shire Hall**

It is taught over four terms on Thursday afternoons. New groups start every school term.

\$6.00 per session.

Tea & Coffee provided.

### ACE

#### (Active Chair-based Exercise)

For people with a chronic condition this weekly program involves a combination of gentle exercise to music, low level strength training, relaxation and activities promoting physical mobility and independence. Three different groups are run.

#### SESSION DETAILS:

**KCHS Shire Hall**

Monday: 10:30am – 12:30pm

Monday: 1:45pm – 3:45pm

Tuesday: 10:00am – 12:00pm

Thursday: 10:30am – 12:30pm

\$6.00 per session.

Tea & Coffee Provided.

### Tai Chi for Diabetes

Tai Chi for Diabetes is especially suited for those who have been newly diagnosed or recently commenced on medication and are wishing to include regular exercise as part of their diabetes management. Also suitable for those not currently exercising. It is a gentle and progressive program which runs for 2 terms. On completion participants can continue with a Tai Chi style of their choice in the community.

#### SESSION DETAILS:

**KCHS Shire Hall**

Friday: 9:30am – 10:45am

\$6.00 per session.

Tea & Coffee provided.

## Knox Diabetes / Cardiac Lifestyle Exercise Program

A healthy lifestyle is proven to reduce risks of heart and diabetes related illness. This supervised circuit exercise program aims to maintain and improve your heart health and general fitness.

### SESSION DETAILS:

#### KCHS Courthouse Venue

Friday: 11:00am – 12:00pm

\$6.00 per session.

## Women's Anger Management Course

Based on Women's Health East model. Designed especially for women, KCHS is offering a 6 week course. You will have the opportunity to explore your own anger, learn positive strategies to manage feelings and have some fun in a confidential group.

The topics covered will include:

- ▲ Understanding anger
- ▲ Focusing on feelings
- ▲ First families
- ▲ What others tell us
- ▲ What we tell ourselves
- ▲ The challenge of change

### SESSION DETAILS:

#### KCHS Courthouse Venue

Thursdays: 24th April – 29th May

10:00am – 12:00pm

6 sessions.

\$6.00 per session.

Tea & Coffee Provided.

## 1, 2, 3 Magic

KCHS is delivering a skills and information focussed parenting program. The program will focus on effective behaviour management techniques for children aged 2 to 12 and will be facilitated by Family Support Workers and Counsellors from KCHS. Videos and a range of other resources will be used during the sessions to aid the learning techniques.

### SESSION DETAILS:

#### KCHS Wantirna Site venue

Thursdays: 12th and 19th June

6:45pm – 9:15pm

Bookings essential, via Intake.

\$6.00 per session.

Tea & Coffee Provided.

## Social Skills

The Social Skills group is designed to give children with social difficulties, aged 8-9 years, an opportunity to improve their social skills with their peers through a group process, whilst increasing their self esteem.

A parenting group supports this and aims to develop a greater understanding of their children's needs and behaviour management. Parent sessions 2 x 2 hour sessions.

All enquiries to Intake worker. Expressions of interest taken for 6-7 year olds, who can be placed on waiting list.

### SESSION DETAILS:

#### KCHS Courthouse Venue

Tuesdays: 15th April to 27th May

4.00pm – 5.15pm

Parent Sessions

Dates to be advised

No Cost.

Tea & Coffee Provided.

## Post-Natal Depression Therapy Group

This group focuses on understanding PND and learning practical skills and coping mechanisms for women with post-natal depression. It will also involve sharing of ideas and offer opportunities to express experiences.

Using the Lynne Little model, the structured PND treatment group is facilitated by Health Practitioners from Knox Community Health Service and Maternal Child Health.

Enquiries welcome, contact KCHS Intake Worker for more information on (03) 9757 6200 with referrals through MCH nurse.

### SESSION DETAILS:

## Oral Health Priority Access: Eligibility & Fees – Children, Youth, Pregnant Women & Chronic Disease Patients

### CHILDREN

Dental Services are available for all children including pre-schoolers through until the end of Primary School.

- ▲ Services are FREE for Health Care or Pensioner Concession Card holders.
- ▲ A one-off cost of \$27.50 applies for non-cardholders for a complete course of care
- ▲ There are no waiting lists for care and children are recalled every 12 or 24 months depending on the child's risk of dental disease.

### YOUTH

Students in Secondary School or those who have left school and are under 18 years old, who are Health Care Card holders or dependants of health card/concession card holders are eligible for free treatment. There are no waiting lists for youth care, and services are offered every 1 or 2 years depending on the level of treatment required.

### PREGNANT WOMEN

Pregnant women who hold a Health Care Card or Pensioner Concession card are eligible for priority access. Please inform the Reception team if this applies to you. There are no waiting lists for pregnant women.

### ADULTS

Co-payments apply for all adult patients:

- ▲ \$22.50 for an emergency visit
- ▲ Up to \$90 for a general course of care (excluding dentures)
- ▲ A full set of Acrylic Dentures will cost up to \$110

### CHRONIC DISEASE PATIENTS

This program aims to provide integrated oral and general health care for people with Diabetes, Heart Disease or Chronic Obstructive Pulmonary Condition (such as Emphysema or Chronic Bronchitis) that may have potential for Dental Wait List waiver. If you currently live with any of these chronic health conditions and choose to access our public dental program, please contact Dental reception (details below) for more information.

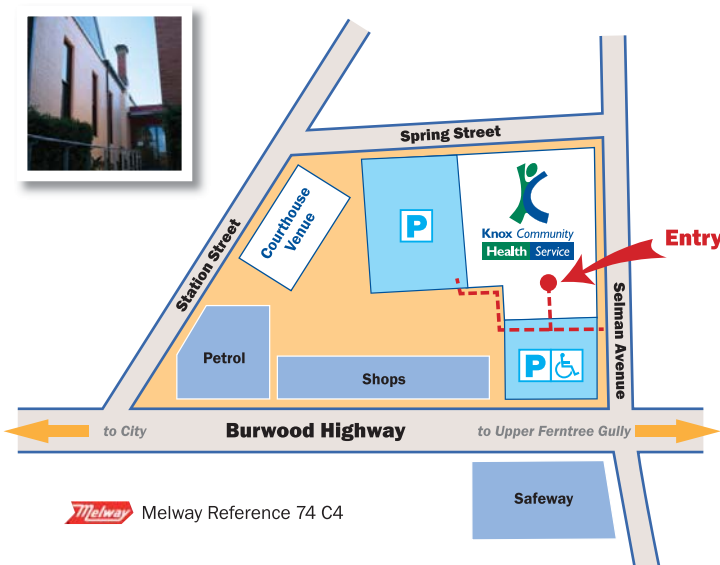

**For more information on Oral Health Priority Access contact Dental Reception at KCHS on (03) 9757 6201**

### Access for Priority Clients

If you or your children meet the requirements to be seen as listed above, please phone our Reception team. They will be able to arrange an appointment for you at the Knox Community Health Service.

If you have a dental emergency, please phone at 8:30am Monday – Friday to have your needs assessed. If necessary, an appointment will be made to deal with the emergency.
